### EXAMINER'S AMENDMENT

An extension of time under 37 CFR 1.136(a) is required to place this application in condition for allowance. During a telephone conversation conducted on October 24, 2005, Applicants' counsel requested an extension of time for 1 MONTH(S) and authorized the Director to charge Deposit Account No. 02-4800 the required fee of \$120.00 for this extension.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the claims:

1. (currently amended) A heat-sensitive composition in liquid form, comprising
  - a hydrophobic organic liquid,
  - an organogelling substance, the molecules of which have the capacity to bind together via bonds of low energy, and
  - a bioactive substance,which changes to the organogel form during its administration to an animal body, ~~by cooling the site of application of said composition.~~

The following is an examiner's statement of reasons for allowance: the instant claims are drawn to a heat-sensitive composition in liquid form which changes to the organogel form during administration to an animal body. The heat-sensitive composition comprises a hydrophobic organic liquid, a bioactive substance, and an organogelling substance of which the molecules have the capacity to bind together via bonds of low energy. The claims clearly define the invention and are free of the art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marsha M. Tsay whose telephone number is 571-272-2938. The examiner can normally be reached on M-F, 9:00am-5:00pm.
